

CLINIC INFORMATION

Morton County Medical Clinic, a family medicine clinic located in Elkhart, Kansas. We are continually working to provide exceptional health care to the families here in Southwest Kansas and to the neighboring families in Northwest Oklahoma, and Southeast Colorado.

We offer primary care and preventative care for all ages, as well as behavioral health services. Our providers perform preventative health screenings, physicals, Medicare wellness exams, sick patient exams, and chronic care management. Our providers can perform procedures such as basic lab tests, laceration repair, destruction of warts and/or lesions, toenail care, joint injections and ear washes are also available.

- **Elkhart Office Hours:**
 - **Monday – Friday: 8:00 to 5:00**
- **Rolla Clinic Hours:**
 - **Wednesday & Friday 9:00-4:00**

PHYSICAL THERAPY

Physical therapy focuses on enhancing the overall physical health, fitness, and quality of life of our patients through individualized treatment programs. We value compassion, dignity, and respect of each patient and work together to establish functional meaningful goals.

We work with patient of all ages and all types of diagnoses ranging anywhere from post-surgery such as joint replacements and ligament/tendon repairs, sports injuries, stroke impairments, balance and vertigo, back and neck pain, plantar fasciitis, arthritis, falls, and congenital disabilities to name a few.

INJECTION PAIN MANAGEMENT

Brett Martin, CRNA

We are excited to bring back Cervical, Thoracic, and Lumbar epidural steroid injections. Discuss being referred for this treatment with your PCP.
